Conserving our Past: Building Our Future

Due to one of our Councillors moving on to pastures new earlier this year,
we have a casual vacancy for a Parish Councillor.

We have a vacancy! Become a Parish Councillor

We invite expressions of interest from members of our community to join our Parish Council team; a group of passionate volunteers who help to maintain and build our community, leading, organising and collaborating on projects and events which help conserve our past and build our future. We particularly encourage applications from Mainsforth and from younger members of the Parish so that our team better reflects the community we serve.

More details about the role of a Parish Councillor can be found on our website and / or by speaking with one of our existing Councillors www.bishopmiddleham-pc.gov.uk.

Please email your expression of interest to our Parish Council Clerk, no later than 12 noon **Friday 5th April 2024**, detailing, in no more than around 500 words, why you would like to become a Councillor and what skills and experience you believe you will bring to the team.

Please include in your reply your full name, telephone number, home address and email address.

We plan to hold interviews w/c 15th April 2024
